| <p>B. The authority complied with the financial regulations</p> | <p>x A individual councillor cancelled an authorised payment without authority - breach of Standing Order 25 “Restrictions on councillor activities” and disregard to Financial Regulations 1.7 and 2.1.</p> <p><i>1.7 Councillors expected to follow instructions, councillor acted without council or RFO approval, or knowledge.</i></p> <p><i>2.1 All accounting procedures and financial records of the council shall be determined by the RFO.</i></p> <p>The payment was cancelled by an individual councillor, instead of the councillor authorising the payment under the banking authorisation process. The RFO was not informed that they made the decision without consultation to cancel the payment. It is understood that this happened on more than 1 occasion, thus delaying the payment of this invoice until January 202. The minutes and council authorisation was recorded in September 2023. The unauthorised action delayed the payment of the invoice by 4 months, the action of the individual councillor could bring the council into disrepute. The audit trail was inadequate due to an unknown cancellation of payment and all paperwork supports a payment in September 23, not January 24.</p> |
